

## **myPOS Boilerplate 2025**

### **About**

myPOS is an innovative fintech company serving small and medium-sized business clients across the European Economic Area, Switzerland and the UK. It provides easy and convenient in-store, online and on-the-go payment solutions for more than 300 000 businesses in over 35 European countries.

The myPOS platform gives micro businesses and SMEs everything they need to accept payments and manage various aspects of their business, including selling remotely, accelerating cash flow and enabling e-commerce. Business owners receive a free multicurrency merchant account and dedicated IBAN per currency, a business debit card, digitized business management capabilities, and a powerful platform to help them sell anywhere.

For its continued innovation in payments, myPOS has won many awards, including the POS Innovation at FinTech Breakthrough in 2023 and 2024, Best Business Payments System at PayTech Awards in 2024, and Best B2B Tech at Business Awards UK in 2025.
